SENG AT A GLANCE

✓ SENG AT A GLANCE

SENG is the largest of the four Schools within the Hong Kong University of Science and Technology (HKUST), established in 1991. It enrolls almost 40% of the university's student body, with over 1,400 research postgraduate students.

It has a strong international reputation and consistently ranks high among major engineering schools around the world.

1st Engineering & Technology University in Hong Kong¹

12nd Top Young University in the World²

87% World Leading Internationally Excellent in Hong Kong Research Assessment Exercise

6th Graduate Employability in Asia-Pacific Region³

1) QS World University. Rankings by Subject, 2023 2) THE Top 600+ Young Universities, 2023
3) THE Global University. Employability Ranking, 2022 4) THE Asia, 2023

RESEARCH POSTGRADUATE STUDIES IN ENGINEERING

✓ RESEARCH POSTGRADUATE STUDIES IN ENGINEERING

MPhil/PhD

SENG offers research-based programs leading to the Master of Philosophy (MPhil) and Doctor of Philosophy (PhD) in the following disciplines and interdisciplinary areas:

Broad Range of Disciplines

- Chemical and Biomolecular Engineering
- Civil Engineering
- Computer Science and Engineering
- Electronic and Computer Engineering
- Industrial Engineering and Decision Analytics
- Mechanical Engineering

Interdisciplinary Programs and High Impact Areas

- Bioengineering
- Energy Technology
- Environmental Engineering
- Nanotechnology
- Scientific Computation

Internship

Apart from MPhil/PhD studies, postgraduate students from institutions outside Hong Kong who wish to spend 2-6 months at SENG to fulfill their directed research or internship assignment may apply for the International Internship Program. Subject to approval from supervisor and fund availability, each intern may receive a stipend to cover living costs.
